

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the researchers presents conclusions and suggestion of the whole research.

5.1 Conclusion

Based on the research, the researchers found the emotions that is revealed in the main female character and the concepts of emotional intelligence that reveal in the main female character in the movie Elemental.

The emotions found in this research are anger, fed up, disgust, suprised, fear,sadness and happiness. The concepts of emotional intelligence found in this research are recognizing one's own emotions, managing emotions, self motivation, recognizing other's people emotions, and relationship building.

Ember Lumen is a woman who cannot control her emotions and temper. she is described as fire. Her behaviour is described as her character overflowing like fire if she cannot control her emotions. This makes Ember Lumen must know her own emotions and control her emotions well.

5.2 Suggestion

Based on the main results of this study that reveals the emotions and the concepts of emotional intelligence, the advice can be suggested is that all the problems is in the film Elemental should be a lesson readers to controll and

manage the emotions with emotional intelligence. The researcher hopes that this research could be used as a reference for other research that studies emotions and emotional intelligence.
