## LAMPIRAN

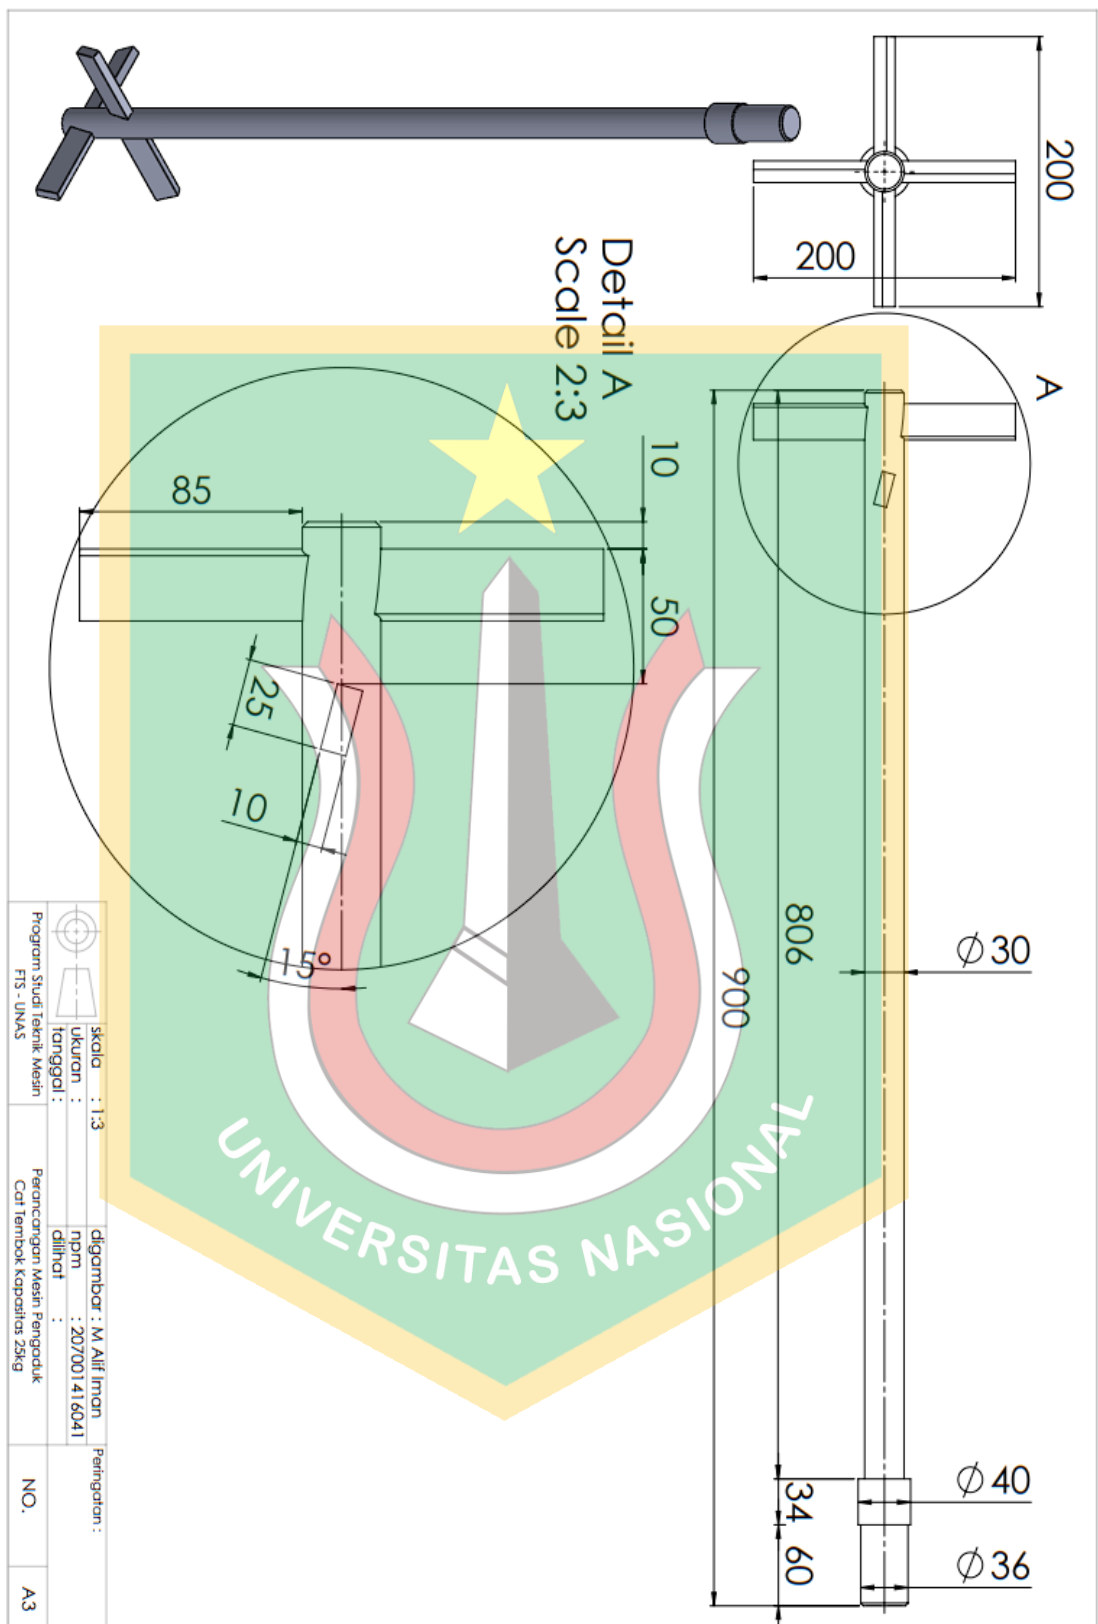

# 26% Overall Similarity

The combined total of all matches, including overlapping sources, for each database.

## Top Sources

- 23%  Internet sources
- 7%  Publications
- 16%  Submitted works (Student Papers)

## Integrity Flags

### 2 Integrity Flags for Review

-  **Replaced Characters**  
45 suspect characters on 15 pages  
Letters are swapped with similar characters from another alphabet.
-  **Hidden Text**  
12 suspect characters on 3 pages  
Text is altered to blend into the white background of the document.

Our system's algorithms look deeply at a document for any inconsistencies that would set it apart from a normal submission. If we notice something strange, we flag it for you to review.

A Flag is not necessarily an indicator of a problem. However, we'd recommend you focus your attention there for further review.

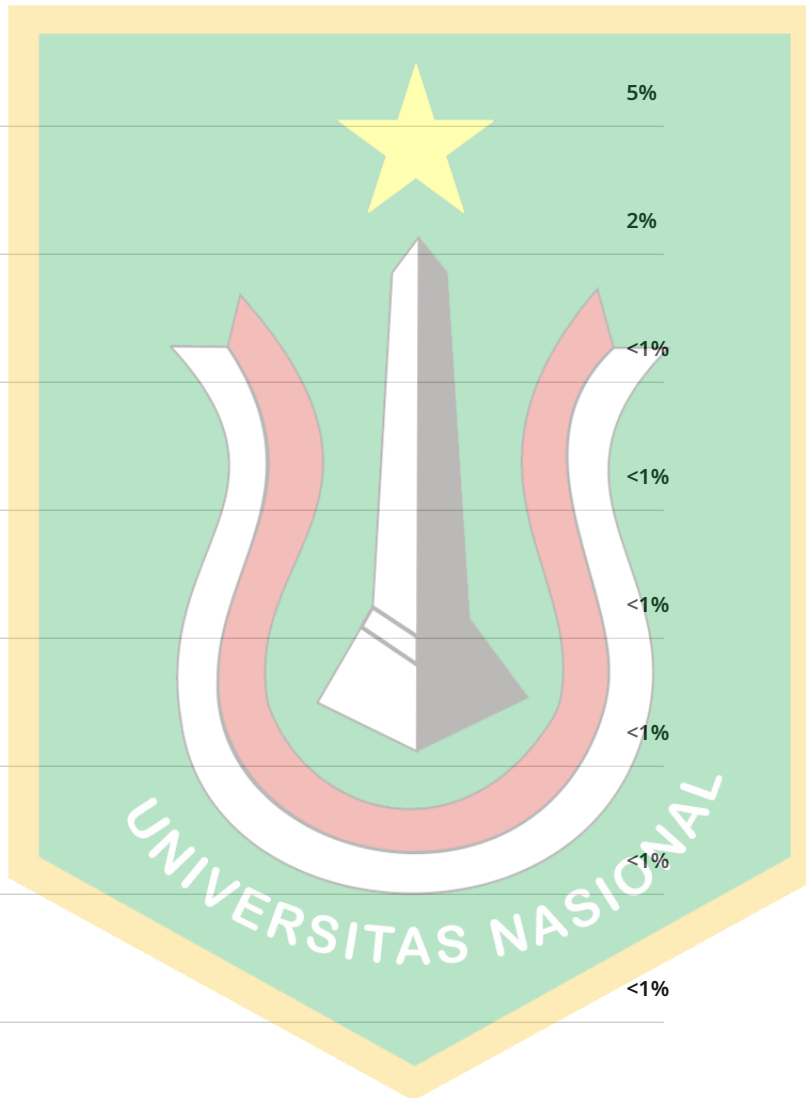

## Top Sources

23%  Internet sources  
7%  Publications  
16%  Submitted works (Student Papers)

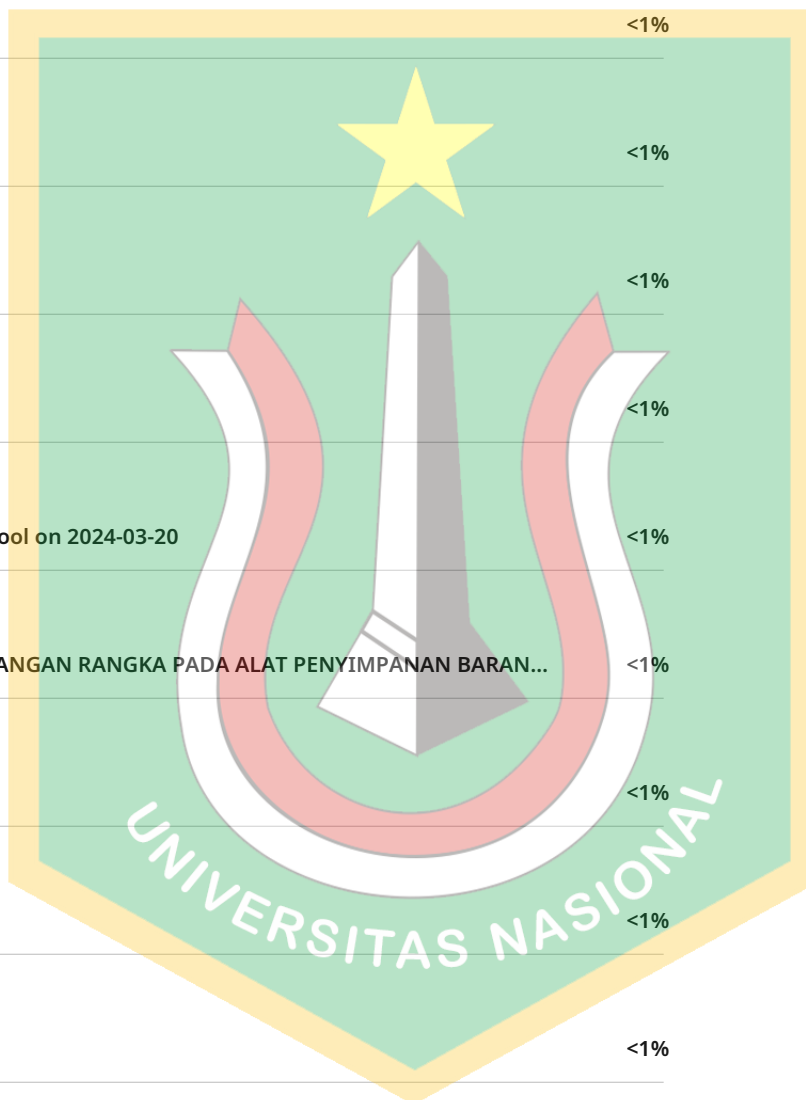

## Top Sources

The sources with the highest number of matches within the submission. Overlapping sources will not be displayed.
