The image shows a screenshot of a journal submission workflow interface. The interface is titled "Workflow" and "Publication". It has four tabs: "Submission", "Review", "Copyediting", and "Production". The "Submission" tab is active. Below the tabs, there is a "Submission Files" section with a search bar and a "Download All Files" button. A table lists the submission files:

File Name	Size	Submission Date	Category
Susan Indahwani_Universitas Nasional.pdf	1690	2 March 2025	Data Analysis

The interface is overlaid on a large green shield-shaped logo for Universitas Nasional. The logo features a central white and grey monument-like structure, flanked by two red and white curved shapes. A yellow star is positioned above the central structure. The text "UNIVERSITAS NASIONAL" is written in white capital letters along the bottom edge of the shield.
