Pamungkas Songs Lyric

'Hello'

[Verse]

And it's you again
Hello, hello, hello
Seventeen again
Hello, hello, hello
As we every time we talkin'
And every time we need
The fire in me still burnin'
Burnin', burnin', burnin' so lethal
So warm, so calm, so you should stay
Oh, yes
Oh, you should stay with me
And I will hello, hello, hello you
When the sun is risin'

'Intentions'

[Verse 1]

Don't know what I'm doing
All my feeling speaks
In the way that you won't
Understand its meaning
Words are out of reach
Then there comes the silence

[Pre-Chorus]

It gets in the way between us
Can't you just see it in my eyes
That I just need you to let you know that I

[Chorus]

Ooh I just wanna love you right
Free you so you shine your lights
Can't you see it?
Ooh I just wanna kiss you right

*Saying everything without
A word of two*

[Verse 2]

*I've lost the sense of me
In pitch dark I go
Swim into your palette*

[Pre-Chorus]

*Closing out the gap between us
Pretty sure you see it in my eyes
That I just wanna let you know that I*

[Bridge]

*I love you
I love you
I love you
I love you
And I'm not mad about it
No I'm not mad about it
Oh ooh*

Free you so you shine your lights
Can't you see it?
Ooh I just wanna kiss you right
Saying everything without
A word of two
Ooh I just wanna love you right
(I just wanna love you right)
Right
Oh yeah*

[Bridge]

*I don't know what is up with you
But I always wants the best
And by best I guess it means
Intentions, attentions, seen
Oh well I just wanna love you right
Right
Well I just wanna love you right
(I just wanna love you right)
(I just wanna love you right)
I just wanna love you right*

*[Outro]

'Queen of The Heart'

[Verse 1]

*Taking a walk like a champ in the night
I walk slow but I never walk back
Having a talk with you in my mind tonight
You worry so much as if the world is ending*

[Pre-Chorus]

*Don't you know
Don't you know you're better
Than you think you are
Don't you know
Don't you know you're better
Than you think you are*

[Chorus]

Queen of the hearts

Queen of the hearts

You won me over

You're the queen of the hearts

[Verse 2]

Seeing your creation over a tech application

One two three four, did I say I adore you before?

Your poetic mind, I can listen to you for hours

Like a valentine, darling you talk like flowers

[Pre-Chorus]

Don't you know

Don't you know you're better

Than you think you are

Don't you know

Don't you know you're better

Than you think you are

[Chorus]

Queen of the hearts

Queen of the hearts

You won me over, oh

Queen of the hearts

[Bridge]

Baby I don't know why

The reason why

You even talk to me

I may feel odd, just a little

Strange, does it tickle?

Can't believe it's true

Why don't you tell me why

The reason why

That it had to be you

You caught me off my guards

And you see all my cards

[Outro]

Queen of the hearts

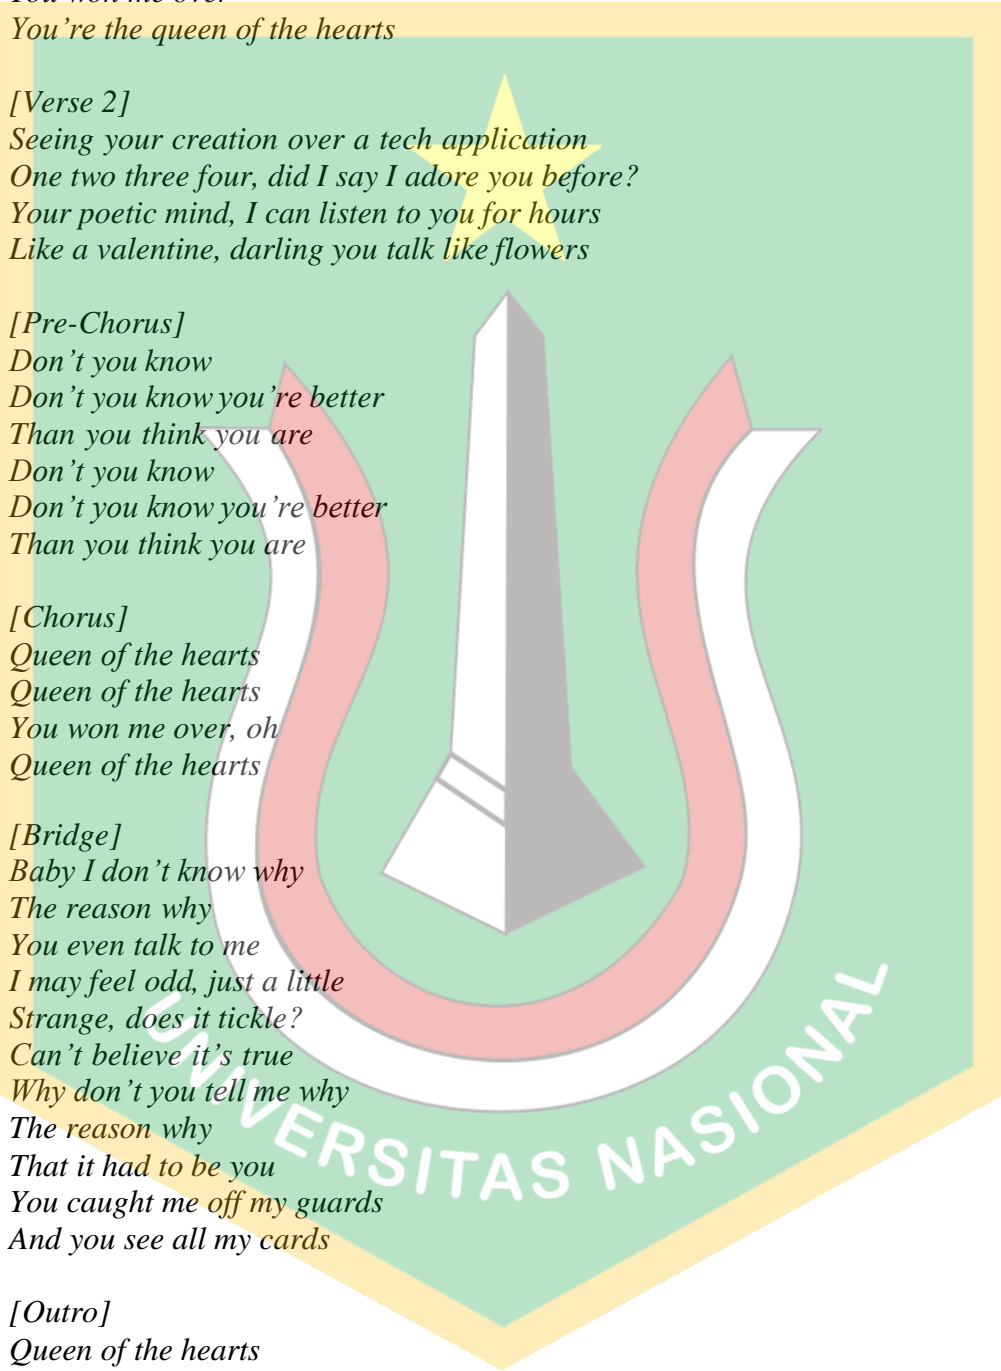

You're the queen of the hearts

Queen of the hearts, oh

Queen of the hearts

Queen of the hearts

Queen of the hearts

*Queen of the hearts
You're the queen of the hearts*

'Live Forever'

*I may be naive
Too green to have a say
I may be foolish
Too innocent, too raw
But I roam enough to understand
I only can be what I **am**
And I'm a dreamer **by default**
And I liked it*

*Let me live forever
Let me live forever
To see things I can't see
To be what I'll never be
I wanna live forever*

*I may be too old
Too late, too smart to talk
I may be too broken, way too damaged to pretend
That I am able to understand
You only can teach what you preach
Well I'm a thinker **by design**
And I liked it*

*The bluest of a moon
The greyest of the sky
No I don't ever wanna die
I just wanna breathe
I just wanna live
Today and tomorrow*

*Let me live forever
I wanna live forever
To see things I can't see
To be what I'll never be
I wanna live forever
I wanna breathe forever*

*And I think you're like me
We see things they'll never see*

We're gonna live forever

I wanna live forever

*Let me live forever
I wanna live forever
To see things I can't see
To be what I'll never be
I wanna live forever
Forever*

'Riding The Wave'

[Verse 1]

*Penny
For a thought I would be rich
Ruling the world I'd be king
Oh my oh my
Plenty
Of things I would like to say
But somewhat I am short on words
Oh my oh my*

[Pre-Chorus]

*I'm falling again
And I get up again
Continuum it seems*

[Chorus]

*I'm riding the wave
I'm hiding 'cause feelings keep drifting apart
And wanting more is just gonna get me
Down to my belly
I'm riding the wave
I get out, the air gets too lonely to breathe, oh
And saying so much will only take me
Drag me
Down to my knees
Oh I'm riding the wave
Oh oh oh yeah*

[Instrumental]

[Chorus]

*I'm riding the wave
I'm hiding 'cause feelings keep drifting apart
And wanting more is just gonna get me*

Down to my belly

*I'm riding the wave
I get out, the air gets too lonely to breathe, oh
And saying so much will only take me*

Drag me

Down to my knees

*I'm riding the wave
And asking for more will only take me*

Down to my belly

*I'm riding the wave
I get out, the bed is too lonely to sleep, oh
And thinking so much will only take me*

Drag me

Down to my knees, whoa ooh

I'm riding the wave

[Outro]

(I'm just flowing around, floating about)

(Riding the wave, moving forward)

(From one distraction to another)

(I'm just flowing around, floating about)

Riding the wave, moving forward

From one distraction to another

I'm just flowing around, floating about

(Riding the wave) riding the wave

(Moving forward) moving forward

(From one distraction to another)

'I Don't Wanna Be Alone'

[Verse 1]

*You've got a place in my heart, it's a new thing
You filled the space in my heart, it's what you bring
Nobody did make me feel the way you do
You've got a place in my heart, I surrender, yes
I surrender*

[Verse 2]

You've got a place in my mind, thought you should know

*You run a show in my mind and I'm front row
Nobody did make me feel the way you do
You are a shark in my mind and I'm swimming*

[Pre-Chorus]

*Ooh to you baby I'll go raw
I don't wanna break it down
Don't you understand by now?
Ooh to you baby I'll go raw
I don't wanna break it down
Don't you understand by now?*

[Chorus]

*I don't wanna be alone
I don't wanna be alone
And I'm gonna push you away again
'Cause I just don't wanna be alone
I don't wanna be alone
And not that I can't be alone
I'm okay being on my own
But I'm gonna push you away again
'Cause I just don't wanna be alone*

[Verse 3]

*I've got this suite in my heart and it's fancy
With all the views and the biscuits I baked them
Well I don't care about it and I want you
To kinda live there and stay
I won't mind that at all, yeah*

[Pre-Chorus]

*Ooh to you baby I'll go raw
I don't wanna break it down
Don't you understand by now?*

[Chorus]

*I don't wanna be alone
I don't wanna be alone
And I'm gonna push you away again
'Cause I just don't wanna be alone
I don't wanna be alone
And not that I can't be alone
I'm okay being on my own
But I'm gonna push you away again
'Cause I just don't wanna be*

[Bridge]

I don't wanna be

[Outro]

I don't wanna be alone

I don't wanna be alone

And I'm gonna push you away again

'Cause I just don't wanna be alone

I don't wanna be alone

And not that I can't be alone

I'm okay being on my own

But I'm gonna push you away again

'Cause I just don't wanna be alone

'Be Okay Again Today'

Just 'cause it's in the cloud

Doesn't mean it's all that I'm about

Honey, I'd tell you

Everythin' about me

I'd do it with the anger

You caused me

But what for?

Since you only listen to yourself

Go figure

The rest out

And say what you mean

Say what you really mean to say

Words betray, it hurts

Without a warning

Say what you need

Say what you really need to say

Words can kill, it's real

Without you knowing

And by the way

I could just say it back to you, it's easy

But honey, I choose to be okay again today

Just 'cause they're too loud

Doesn't mean you have to start your doubts

*Oh baby, I tell you
We are all sad and lonely
Longing for a home to rest out (lookin for a home to)*

*But maybe
Maybe the funny place called home is inside
Within
So run if you need
Grab your hat, fetch your camera
Film the world, be free
Be the bird's eye*

*And maybe you'll see
Maybe you'll say it back to me
In the end it's you
You are your own home*

*And by the way
No one can save you but yourself
So I hope
Honey, you choose to be okay again today*

*I know the world's broken bone
But melt your headaches; call it home
Remember what we used to sing
Bring back the happiness, amen*

'Deeper'

*I didn't know much about love
I knew nothing about it
'Til I'm falling so hard into you
Quicker and deeper
Now I know what's about love
I feel alright about it
'Cause I'm falling so hard into you
Quicker and deeper
Deeper
I wish you sunshine in the sky
And all the bluebirds in your eyes
May it light up wherever
May it shine on forever
I wish you love*

Rooted within you

Deeper (deeper)

Deeper

Deeper (deeper)

Deeper

Oh I'm falling so hard into you

Quicker and deeper

All ideas about love

Mistakes I made 'cause of it

It's all make sense now that I've met you

Coincidences connected

Two hearts denying the truth

That we both are falling hard in love

Quicker and deeper

And you're so much like me

I'm sorry

I'm sorry

(Deeper)

(Deeper)

(Deeper)

(Deeper)

I wish you sunshine in the sky

And all the bluebirds in your eyes

May it light up wherever

May it shine on forever

I wish you love

Rooted within you

Deeper (deeper)

Deeper

Deeper (deeper)

Deeper

When you cry the ocean

When you smile in motion

I will always be by your side

I will always be by your side

When you cry the ocean

When you smile in motion

I will always be by your side

I will always be by your side

Oh I'm falling so hard into you

Quicker and deeper

'Higher Than Ever'

[Verse 1]

Feels like a long time

Since we both got together

Feels like a long day

Since we talked to each other

And I miss you

Yeah today I missed you

[Verse 2]

It's been a cold night

Made me think a lot about you

I wonder that you might

Think of me like I do

'Cause I miss you

Don't you miss me too?

Now tell me how are ya

[Chorus]

The city is sleeping

The music is fading

The colours are disappearing

Into the smoke rings of my mind

The need to see you

The urge to kiss you

The feeling of wanting to hold

Or maybe just a talk

Is crazy high

Higher than ever

Higher than ever

Higher than ever

Higher than ever

[Verse 3]

Take me out tonight

Let's just go see each other

And burn the love we have

Before you meet my mother

Can I kiss you?

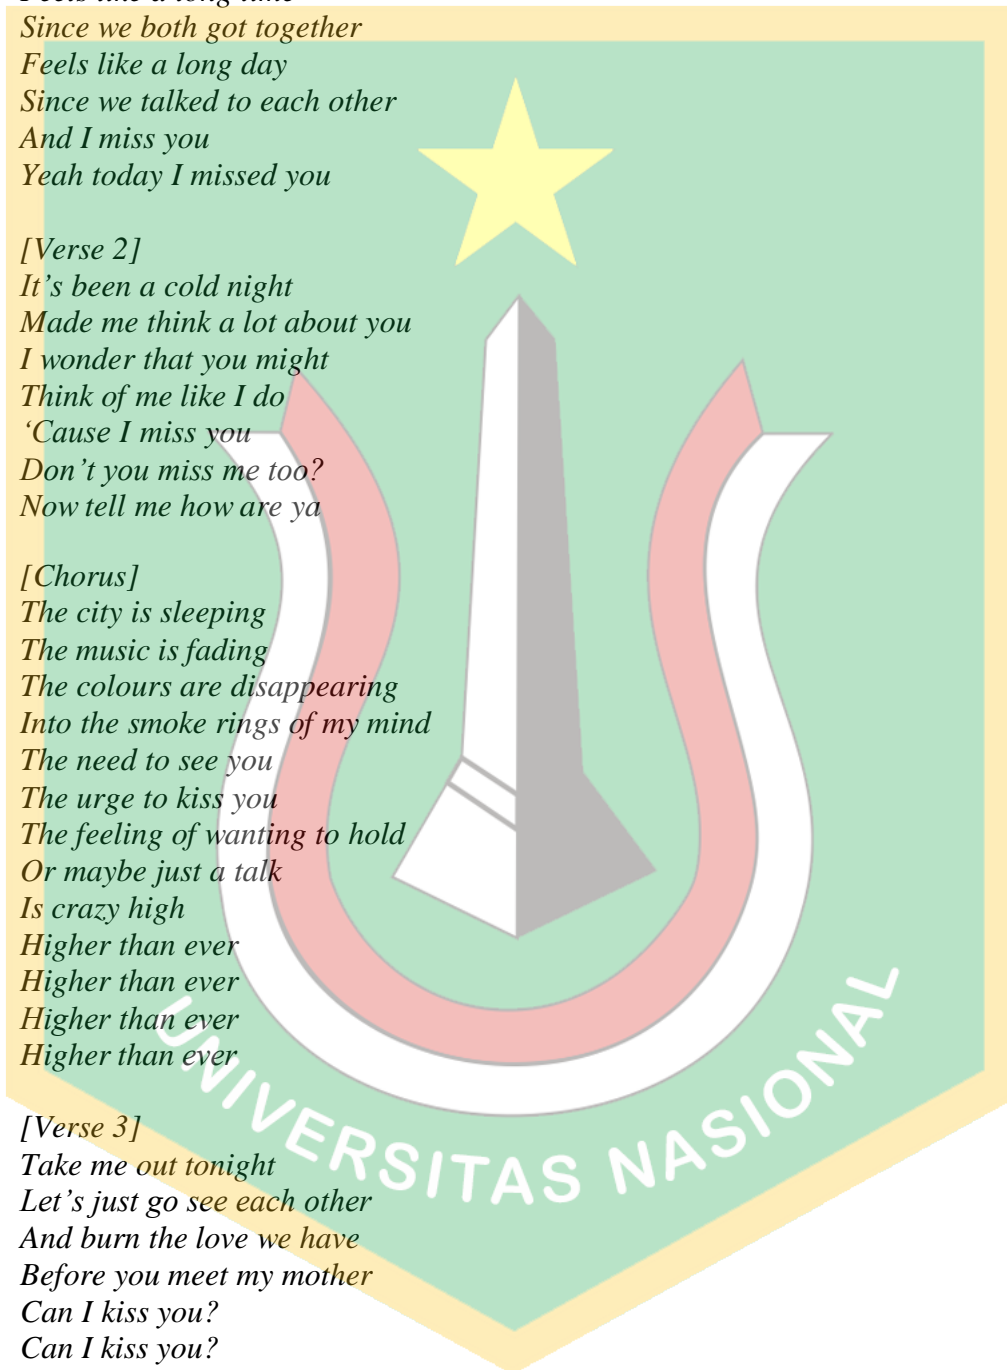

Can I kiss you?

Or tell me how are ya?

[Chorus]

The city is sleeping

The music is fading

*The colours are disappearing
Into the smoke rings of my mind (the smoke rings of my mind)
The need to see you
The urge to kiss you
The feeling of wanting to hold
Or maybe just a talk
Is crazy high
Higher than ever
Higher than ever (higher than ever)
Higher than ever (higher than ever)
Higher than ever*

'Closure'

*[Verse 1]
Feel small again
Same old story
Don't you call again
I'm not sorry
I am better off without you
I am better off without you*

*[Chorus]
I give up tryin'
At least for today
Lying is lying
It's never okay
Bend it all you want
Hide it all you can
I give up tryin'
I give up tryin'
I am better off without you
I am better off without you
So much better off without you
(it's so different when i'm with you)*

*[Verse 2]
I'll take time again
War on worry
Don't you call again
I'm not sorry
I am better off without you
I am better off alone*

[Chorus]

*I give up tryin'
At least for today*

*Lyin' is lyin'
It's never okay
Bend it all you want
Hide it all you can
I give up tryin'
And though I'll be sad
Lyin' still lying
I'll settle with that
Bend it all you want
Hide it all you can
I give up tryin'
I give up tryin'
I give up tryin' for you
I give up tryin'*

[Instrumental Break]

[Chorus]

*I give up tryin'
At least for today
Lyin' still lyin'
It's never okay
Bend it all you want
And hide it all you can
I promise you
I will learn from my mistakes
But I'm better off without you
I am better off without you
I'm so much better off without you*

[Bridge]

*Only, give up when it stops givin'
Love's still here & it's burnin'
Onto you but not workin'
Never, settle for anythin' less
Only shot just for the best
Other than that i'm alright
I'm endin' it love
Well i'm closin' it love
Yeah, it's over it's over it's over it's over yes*

*[Chorus]
I give up tryin'
At least for today
I give up tryin'
For you
I give up tryin'
At least for today
Lyn' still lyn'
It's never okay
I give up tryin'
For you*
