**Presidential Documents**

**Memorandum of January 26, 2021**

**Condemning and Combating Racism, Xenophobia, and Intolerance Against Asian Americans and Pacific Islanders in the United States**

**Memorandum for the Heads of Executive Departments and Agencies**

Advancing inclusion and belonging for people of all races, national origins, and ethnicities is critical to guaranteeing the safety and security of the American people. During the coronavirus disease 2019 (COVID-19) pandemic, inflammatory and xenophobic rhetoric has put Asian American and Pacific Islander (AAPI) persons, families, communities, and businesses at risk.

The Federal Government must recognize that it has played a role in furthering these xenophobic sentiments through the actions of political leaders, including references to the COVID-19 pandemic by the geographic location of its origin. Such statements have stoked unfounded fears and perpetuated stigma about Asian Americans and Pacific Islanders and have contributed to increasing rates of bullying, harassment, and hate crimes against AAPI persons. These actions defied the best practices and guidelines of public health officials and have caused significant harm to AAPI families and communities that must be addressed.

Despite these increasing acts of intolerance, Asian Americans and Pacific Islanders have made our Nation more secure during the COVID-19 pandemic and throughout our history. An estimated 2 million Asian Americans and Pacific Islanders have served on the front lines of this crisis as healthcare providers, as first responders, and in other essential roles. The Federal Government should combat racism, xenophobia, and intolerance against Asian Americans and Pacific Islanders and should work to ensure that all members of AAPI communities—no matter their background, the language they speak, or their religious beliefs—are treated with dignity and equity.

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

**Section 1. Condemning Racism, Xenophobia, and Intolerance Against Asian Americans and Pacific Islanders.** The Federal Government has a responsibility to prevent racism, xenophobia, and intolerance against everyone in America, including Asian Americans and Pacific Islanders. My Administration condemns and denounces acts of racism, xenophobia, and intolerance against AAPI communities.

**Sec. 2. Combating Racism, Xenophobia, and Intolerance Against Asian Americans and Pacific Islanders.** (a) The Secretary of Health and Human Services shall, in coordination with the COVID-19 Health Equity Task Force, consider issuing guidance describing best practices for advancing cultural competency, language access, and sensitivity towards Asian Americans and Pacific Islanders in the context of the Federal Government's COVID-19 response. In developing any such guidance, the Secretary should consider the best practices set forth by public health organizations and experts for mitigating racially discriminatory language in describing the COVID-19 pandemic.

(b) Executive departments and agencies (agencies) shall take all appropriate steps to ensure that official actions, documents, and statements, including those that pertain to the COVID-19 pandemic, do not exhibit or contribute

to racism, xenophobia, and intolerance against Asian Americans and Pacific Islanders. Agencies may consult with public health experts, AAPI community leaders, or AAPI community-serving organizations, or may refer to any best practices issued pursuant to subsection (a) of this section, to ensure an understanding of the needs and challenges faced by AAPI communities.

(c) The Attorney General shall explore opportunities to support, consistent with applicable law, the efforts of State and local agencies, as well as AAPI communities and community-based organizations, to prevent discrimination, bullying, harassment, and hate crimes against AAPI individuals, and to expand collection of data and public reporting regarding hate incidents against such individuals.

**Sec. 3. General Provisions.** (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

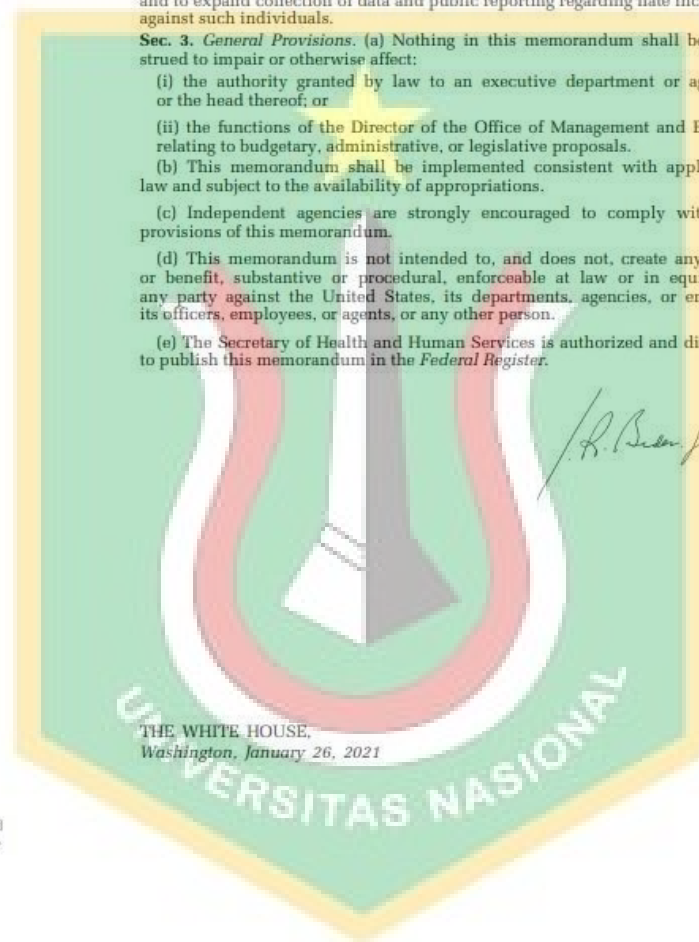

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) Independent agencies are strongly encouraged to comply with the provisions of this memorandum.

(d) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(e) The Secretary of Health and Human Services is authorized and directed to publish this memorandum in the *Federal Register*.

**SEC. 2. FINDINGS.**

Congress finds the following:

34 USC 30501  
note.

(1) Following the spread of COVID-19 in 2020, there has been a dramatic increase in hate crimes and violence against Asian-Americans and Pacific Islanders.

(2) According to a recent report, there were nearly 3,800 reported cases of anti-Asian discrimination and incidents related to COVID-19 between March 19, 2020, and February 28, 2021, in all 50 States and the District of Columbia.

(3) During this time frame, race has been cited as the primary reason for discrimination, making up over 90 percent of incidents, and the United States condemns and denounces any and all anti-Asian and Pacific Islander sentiment in any form.

(4) Roughly 36 percent of these incidents took place at a business and more than 2,000,000 Asian-American businesses have contributed to the diverse fabric of American life.

(5) More than 1,900,000 Asian-American and Pacific Islander older adults, particularly those older adults who are recent immigrants or have limited English proficiency, may face even greater challenges in dealing with the COVID-19 pandemic, including discrimination, economic insecurity, and language isolation.

(6) In the midst of this alarming surge in anti-Asian hate crimes and incidents, a shooter murdered the following 8 people in the Atlanta, Georgia region, 7 of whom were women and 6 of whom were women of Asian descent:

- (A) Xiaojie Tan.
- (B) Daoyou Feng.
- (C) Delaina Ashley Yaun Gonzalez.
- (D) Paul Andre Michels.
- (E) Soon Chung Park.
- (F) Hyun Jung Grant.

note.  
Deadline.  
Designation.

**SEC. 3. REVIEW OF HATE CRIMES.**

(a) **IN GENERAL.**—Not later than 7 days after the date of enactment of this Act, the Attorney General shall designate an officer or employee of the Department of Justice whose responsibility during the applicable period shall be to facilitate the expedited review of hate crimes (as described in section 249 of title 18, United States Code) and reports of any such crime to Federal, State, local, or Tribal law enforcement agencies.

(b) **APPLICABLE PERIOD DEFINED.**—In this section, the term “applicable period” means the period beginning on the date on which the officer or employee is designated under subsection (a), and ending on the date that is 1 year after the date on which the emergency period described in subparagraph (B) of section 1135(g)(1) of the Social Security Act (42 U.S.C. 1320b-5(g)(1)) ends, except that the Attorney General may extend such period as appropriate.

34 USC 30501  
note.

**SEC. 4. GUIDANCE.**

(a) **GUIDANCE FOR LAW ENFORCEMENT AGENCIES.**—The Attorney General shall issue guidance for State, local, and Tribal law enforcement agencies, pursuant to this Act and other applicable law, on how to—

(1) establish online reporting of hate crimes or incidents, and to have online reporting that is equally effective for people with disabilities as for people without disabilities available in multiple languages as determined by the Attorney General;

(2) collect data disaggregated by the protected characteristics described in section 249 of title 18, United States Code; and

(3) expand public education campaigns aimed at raising awareness of hate crimes and reaching victims, that are equally effective for people with disabilities as for people without disabilities.

Coordination.

(b) **GUIDANCE RELATING TO COVID-19 PANDEMIC.**—The Attorney General and the Secretary of Health and Human Services, in coordination with the COVID-19 Health Equity Task Force and community-based organizations, shall issue guidance aimed at raising awareness of hate crimes during the COVID-19 pandemic.

Khalid Jabara  
and Heather  
Heyer National  
Opposition to  
Hate, Assault,  
and Threats to  
Equality Act  
of 2021.

**SEC. 5. JABARA-HEYER NO HATE ACT.**

(a) **SHORT TITLE.**—This section may be cited as the “Khalid Jabara and Heather Heyer National Opposition to Hate, Assault, and Threats to Equality Act of 2021” or the “Jabara-Heyer NO HATE Act”.

(b) **FINDINGS.**—Congress finds the following:

(1) The incidence of violence known as hate crimes, or crimes motivated by bias, poses a serious national problem.

(2) According to data obtained by the Federal Bureau of Investigation, the incidence of such violence increased in 2019, the most recent year for which data is available.

(3) In 1990, Congress enacted the Hate Crime Statistics Act (Public Law 101-275; 28 U.S.C. 534 note) to provide the Federal Government, law enforcement agencies, and the public with data regarding the incidence of hate crime. The Hate Crime Statistics Act and the Matthew Shepard and James

34 USC 30507.

Byrd, Jr. Hate Crimes Prevention Act (division E of Public Law 111-84; 123 Stat. 2835) have enabled Federal authorities to understand and, where appropriate, investigate and prosecute hate crimes.

(4) A more complete understanding of the national problem posed by hate crime is in the public interest and supports the Federal interest in eradicating bias-motivated violence referenced in section 249(b)(1)(C) of title 18, United States Code.

(5) However, a complete understanding of the national problem posed by hate crimes is hindered by incomplete data from Federal, State, and local jurisdictions through the Uniform Crime Reports program authorized under section 534 of title 28, United States Code, and administered by the Federal Bureau of Investigation.

(6) Multiple factors contribute to the provision of inaccurate and incomplete data regarding the incidence of hate crime through the Uniform Crime Reports program. A significant contributing factor is the quality and quantity of training that State and local law enforcement agencies receive on the identification and reporting of suspected bias-motivated crimes.

(7) The problem of crimes motivated by bias is sufficiently serious, widespread, and interstate in nature as to warrant Federal financial assistance to States and local jurisdictions.

(8) Federal financial assistance with regard to certain violent crimes motivated by bias enables Federal, State, and local authorities to work together as partners in the investigation and prosecution of such crimes.
