

CHAPTER I

CONCLUSION AND DISCUSSION

1.1 Conclusion

This Chapter was concerned with the use of Politeness strategies in Animation Movie “Lilo and Stitch”. It was intended to reveal types and the dominant of Politeness strategies which were applied by the Characters in The Movie. The speaker uses positive politeness strategies because he can satisfy hearer’s positive argument, to some respect (brown and Levinson, 1992 :72). This research questions are classified by Positive Politeness Strategy by Brown and Levinson.

Based on the findings Lilo and Nani uses all types of Positive Politeness strategies, which Notice attend (3), Exaggerate(3), Intensify Interest (2), Use in group identify markers(1), Seek Agreement(2), Avoid disagreement(2), Presuppose(2), Joking(2), Assert or presuppose (3), Offer and Promise(3), Be Optimistic (1), Include both in the activity(0), Give (or ask for) reasons(2), Assume or assert Reciprocity(1), Give gifts (goods, sympathy, understanding, cooperation (4). So the total number of dominant types politeness strategies in Lilo and Stitch Animation Movie is 31 data. Meanwhile, one of positive politeness that is not found in the movie is Include both in the activity. Positive These Politeness strategies are involved in many character conversations, namely Lilo and Nani, from the results of the data that have been obtained the most common types found are Notice attend, Exaggerate, Assert or presuppose, and Give gifts (goods, sympathy, understanding, cooperation This is because the three types of positive strategy support politeness in character conversations.

1.2 Suggestion

The research has some suggestion for helped improve the understanding to politeness strategies especially to more consider about the use of politeness strategies could be deepened by other research , in order to increase the field of Linguistics , Furthermore, the researcher face problem in real life situation as object. This research expected to be a reference for Linguistics students to learn more about Linguistics especially In Politeness Strategies. Uses movie as a data for this research could be a good learning for the next research. And Politeness strategies is interesting discussing.
