

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusions

Based on the conclusions reached from the data analysis of this research, Nicole's hierarchy of needs is truly satisfied. This movie was written by Noah Baumbach and released on 2019. The main character on this movie is Nicole Barber as roled by Scarlett Johansson. This movie described about the divorce issues faced by both married couples, Nicole and Charlie Barber.

The psychological aspect has a major impact on how a person's character reacts to problems, regardless of the five layers of the human environment, such as physiological needs, safety needs, belonging needs, esteem needs, and self-actualization needs, are met.

In this research, the researcher discovered that Nicole's five hierarchies of needs were met. The researcher also discovered several characters in the main characters, such as care and concern, competitiveness, emotionality, and Appreciate Things.

5.2 Suggestion

The reseacher hopes that the 5 basic human needs will always be fulfilled even though they are in serious trouble The reseacher also suggests to the next researcher researchers to search for the hierarchy of needs in Charlie Whether the hierarchy of needs from Charlie Barber are fulfilled or not.

Although the researcher acknowledges that this research is far from perfect, the researcher believes that future researchers will be able to advance the study of this theory and thereby advance literary analysis.
