ICT Hotmarisi - Sigalingging:

Thank you for submitting the manuscript, "Prediksi Penjualan Dan Persediaan Ikan Berbasis Website Menggunakan Single Exponential Smoothing Dan Long Short Term Memory" to Jurnal Informatika. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL:
<https://ejournal.bsi.ac.id/ejurnal/index.php/ji/author/submission/15442>
Username: hotmarisisigalingging_02

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.
