Jakarta, 27 November 2023

Nomor : 708/D/SP/FIKES/XI/2023  
Lampiran : -  
Perihal : **Izin Penelitian dan Pengambilan Data**

KepadaYth : Direktur RS Simpangan Depok  
Jl. Raya Jakarta-Bogor No.36, Sukamaju,  
Kec. Cilodong, Kota Depok, Jawa Barat  
16415

Dengan hormat,

Pimpinan Fakultas Ilmu Kesehatan Universitas Nasional Jakarta dengan ini menerangkan bahwa :

Nama : Riadha Pratiwi  
NPM : 224201446120  
Program Studi : Keperawatan  
No. Telepon/HP : 087846349874

Mahasiswa tersebut bermaksud melakukan penelitian dan pengambilan data yang diperlukan dalam rangka penulisan skripsi dengan judul : **Analisa Faktor-Faktor Yang Berpengaruh Terhadap Perilaku Perawat Dalam Pengelolaan Asuhan Keperawatan Menggunakan SIMRS Di RSU Simpangan Depok Tahun 2024.** Adapun sebagai pembimbing skripsi mahasiswa tersebut, yaitu :

Pembimbing 1 : Ns. Dwi Rohyani, S.Kep., M.Kep  
Pembimbing 2 : Ns. Milya Hellen S. Kep. M. Kep

Sehubungan dengan hal tersebut mohon kiranya Bapak/Ibu dapat memberikan bantuan.

Demikian surat ini kami sampaikan, atas perhatian dan kerjasamanya kami ucapkan terimakasih.

Dekan,

Prof. Dr. Retno Widowati, M.Si.

Depok, 1 Desember 2023

Nomor : 011/Diklat-RSSD/XII/2023  
Lampiran : -  
Perihal : Surat Balasan Permohonan Untuk Penelitian dan  
Pengambilan data

Kepada Yth.  
Kepala Dekan Bidang Akademik Universitas Nasional  
Fakultas Ilmu Kesehatan  
Di  
Tempat

Dengan hormat,

Menindaklanjuti surat yang telah kami terima Nomor: 708/D/SP/FIKES/XI/2023 Perihal Permohonan Untuk Penelitian dan Pengambilan data di Rumah Sakit Simpangan Depok maka dengan ini kami selaku bagian Diklat Rumah Sakit Simpangan Depok memberikan izin kepada Mahasiswa/i tersebut untuk melakukan Studi Pendahuluan dan Penelitian di Rumah Sakit Simpangan Depok.

Untuk jadwal pelaksanaan kegiatan :

| No | Waktu Pelaksanaan                           | Nama Mahasiswa | NPM          | Judul Penelitian                                                                                                                                           |

### Permission Letter for Use of Tool

December 12th, 2023

Name : Riadha Pratiwi  
Institution : Nasional University  
Department : Nursing  
Address : Sawo Manila Street No.61  
City/State/Zip : South Jakarta, Indonesia, 12520

Dear Mr. Qigui,

I am a student of BSC (Nursing) from Nasional University, Indonesia and currently in the process of conducting research for my thesis. My focus is one the “ *Factor Analysis That Influence nurses’ behaviour in managing nursing care using hospital information management system at Simpangan Depok Hospital*”.

Your research on Investigating nurses’ intention to use electronic health records : The Unified theory of acceptance and use of technology approach gave me a lot of insight on the variable and I was also able to take a look at the tool that you have created for my study. After extensive consultation concerning my variables, I would like your permission to use the Modified Unified Theory of Acceptance and Use of Technology assessment tools as a part of my questionnaire for my study. I would like to use and print your tool under the following conditions :

- I will use the tool only for my research study and will not sell or use it with any compensated or curriculum development activities.
- I will include the copyright statement on all copies of the instrument.
- I will send a copy of my completed research study to your attention upon completion of the study.

If these are acceptable term and conditions, please indicate so by replying to me through e-mail: [riadha.03.pratiwi@gmail.com](mailto:riadha.03.pratiwi@gmail.com) contact No- +62 878 4634 9874

Thanks & Regards

Pratiwi, Riadha

## **PERNYATAAN PERSETUJUAN**

### **Informed Consent**

Saya menyatakan bersedia untuk berpartisipasi dalam pengambilan data atau sebagai responden pada penelitian yang dilakukan oleh mahasiswa Prodi Sarjana Keperawatan Fakultas Ilmu Kesehatan Universitas Nasional.

Judul Penelitian : “Analisa Faktor Yang Berpengaruh Terhadap Perilaku Perawat Dalam Pengelolaan Asuhan Keperawatan Menggunakan SIMRS Di RSUD Simongan Depok Tahun 2024”

Peneliti : Riadha Pratiwi

NPM : 224201446120

Saya percaya yang saya informasikan dijamin kerahasiannya.

Demikian secara sukarela dan tidak ada unsur paksaan dari siapapun, saya bersedia berperan serta dalam penelitian.

Depok, 27 Desember 2023

### II. Petunjuk Pengisian Kuesioner

- Setiap satu pertanyaan hanya membutuhkan satu jawaban
- Berilah tanda *checklist* (✓) pada kolom yang tersedia yang Bapak/Ibu anggap paling sesuai
- Kuesioner ini menggunakan skala *likert* dengan keterangan setiap jawaban adalah

- |                                       |                        |                                |
|---------------------------------------|------------------------|--------------------------------|
| 1. Sangat Tidak Setuju ( <b>STS</b> ) | 3. Netral ( <b>N</b> ) | 5. Sangat Setuju ( <b>SS</b> ) |
| 2. Tidak Setuju ( <b>TS</b> )         | 4. Setuju ( <b>S</b> ) |                                |

| No.                            | Pernyataan                                                                           | 1   | 2  | 3 | 4 | 5  |
|--------------------------------|--------------------------------------------------------------------------------------|-----|----|---|---|----|
|                                |                                                                                      | STS | TS | N | S | SS |
| <b>Ekspektasi Kinerja (PE)</b> |                                                                                      |     |    |   |   |    |
| 1.                             | Saya merasa rekam medis elektronik berguna untuk pekerjaan saya                      |     |    |   |   |    |
| 2.                             | Menggunakan rekam medis elektronik akan membantu saya melakukan tugas lebih cepat.   |     |    |   |   |    |
| 3.                             | Menggunakan rekam medis elektronik akan meningkatkan efisiensi saya                  |     |    |   |   |    |
| <b>Ekspetasi Usaha (EE)</b>    |                                                                                      |     |    |   |   |    |
| 1.                             | Interaksi saya dengan rekam medis elektronik jelas dan dapat dimengerti              |     |    |   |   |    |
| 2.                             | Akan mudah bagi saya untuk menjadi terampil dalam menggunakan rekam medis elektronik |     |    |   |   |    |
| 3.                             | Menurut saya rekam medis elektronik mudah digunakan                                  |     |    |   |   |    |
| <b>Pengaruh Sosial (SI)</b>    |                                                                                      |     |    |   |   |    |

| 1.                     | Saya percaya bahwa referensi penting untuk saya agar menggunakan rekam medis elektronik                                            |     |    |   |   |    |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------|-----|----|---|---|----|
| No.                    | Pernyataan                                                                                                                         | 1   | 2  | 3 | 4 | 5  |
|                        |                                                                                                                                    | STS | TS | N | S | SS |
| 2.                     | Lingkungan kerja saya mempengaruhi niat saya untuk menggunakan rekam medis elektronik                                              |     |    |   |   |    |
| 3.                     | Secara umum, administrasi rumah sakit mendorong dan mendukung penggunaan rekam medis elektronik dalam penyediaan layanan kesehatan |     |    |   |   |    |
| <b>Estetika Desain</b> |                                                                                                                                    |     |    |   |   |    |
| 1.                     | Saya puas dengan desain sistem pencatatan rekam medis elektronik yang sederhana                                                    |     |    |   |   |    |
| 2.                     | Ukuran tampilan sistem dan alat rekam medis elektronik tidak menimbulkan ketidaknyamanan dalam penggunaannya.                      |     |    |   |   |    |

|                                                             |                                                                                            |            |           |          |          |           |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------------|------------|-----------|----------|----------|-----------|
| 3.                                                          | Saya puas dengan warna dan bentuk sistem rekam medis elektronik                            |            |           |          |          |           |
| <b>Sikap terhadap penggunaan sistem dan alat e-health</b>   |                                                                                            |            |           |          |          |           |
| 1.                                                          | Menggunakan rekam medis elektronik adalah intervensi pemberian layanan kesehatan yang baik |            |           |          |          |           |
| <b>No.</b>                                                  | <b>Pernyataan</b>                                                                          | <b>1</b>   | <b>2</b>  | <b>3</b> | <b>4</b> | <b>5</b>  |
|                                                             |                                                                                            | <b>STS</b> | <b>TS</b> | <b>N</b> | <b>S</b> | <b>SS</b> |
| 2.                                                          | Saya akan menikmati penggunaan rekam medis elektronik                                      |            |           |          |          |           |
| 3.                                                          | Saya akan puas dengan menggunakan rekam medis elektronik                                   |            |           |          |          |           |
| <b>Perilaku Niat Menggunakan Rekam Kesehatan Elektronik</b> |                                                                                            |            |           |          |          |           |
| 1.                                                          | Saya memiliki niat untuk menggunakan rekam medis elektronik                                |            |           |          |          |           |
| 2.                                                          | Saya memperkirakan saya akan selalu menggunakan rekam medis elektronik                     |            |           |          |          |           |

|    |                                                                                             |  |  |  |  |  |
|----|---------------------------------------------------------------------------------------------|--|--|--|--|--|
| 3. | Rekam Medis Elektronik akan menjadi salah satu intervensi teknologi kesehatan favorit saya. |  |  |  |  |  |
|----|---------------------------------------------------------------------------------------------|--|--|--|--|--|
